

Clyst Vale Euros 2024

The Clyst Vale version of the Euro 2024 football competition starts in earnest on Monday 24th June. This is the boys' competition, with the girls' version starting the following week.

The students really enjoy being part of an inter year competition and it is ensured that the emphasis of respect and inclusivity is the core message of their participation.

Clyst Vale Boys Inter-House Football Euro 2024

Congratulations to all 16 teams which participated in the annual Clyst Vale Inter-House fixtures this week. Coinciding with the UEFA European Championships in Germany, Clyst Vale ran their own version with each house colour having a selection of teams, participating as a range of nations.

On midi pitches and 6-a-side games, each squad was made up of a selection of students spearheaded with a Year 10 captain. The emphasis of these competitions is about participation, respect and enjoyment with Monday and Tuesday being busy lunchtimes, with three games being played for each country across the two days. The top two teams from each group would progress to the knock out rounds. Wednesday's Deep Learning Day and Year 7s school trip meant a postponement to this day's play but a shift to run both the quarter final and semi finals being played on Thursday lunchtime.

At the time of writing, both Netherlands (Yellow) and Scotland (Green) won their respective semi finals comfortably and will meet in Friday's hugely anticipated final at lunchtime. We will update next week's newsletter with the respective winners!

It must be said that all students conducted themselves extremely well across the week and certainly adhered to the aims of the competition and were competitive, yet respectful to all. Well done to all that competed and also to the various staff which assisted with the officiating and marshalling of spectators!

Next week sees the turn of the girls competition, with exactly the same format. Watch this space!

Clyst Vale Boys Inter-House Football Euro 2024 Winners are... Scotland!!!

Congratulations to Green House's Scotland who won the final of the Boys Inter-House Euro 2024 football competition on Friday lunchtime.

The fantastic week of matches, with all students showing great levels of enthusiasm, respect and skill culminated in the final between Scotland (Green) beating fellow finalists Netherlands (Yellow) 2-0 in a well contested and even contest. Charlie K skippered his side to victory after maintaining an unbeaten record throughout the whole tournament, despite having an early scare against Albania in the quarter finals. Fellow Year 10 student, Kieran G scored a twenty yard screamer to seal the win after Year 7 Jake W had nudged in an early lead from close range with a neat finish. Netherlands, led by their captain, Rhys W, were magnificent throughout and magnanimous in defeat.

Both teams were met by guest of honour, Dr Turl, with captains introducing their respective squads after the national anthems of course!

The game was preceded by the curtain raiser of the Bronze medal final (3/4 play off) between Slovenia (Green) beating Germany (Yellow) 2-0 to gain third place overall.

Congratulations and well done to all students over 16 teams that played over the week and thank you to all staff which assisted.

Congratulations to Scotland: Charlie K (c), Archie C, Kieran G, Seth C, Jacob K, Josh P, Elan U, Joe S, Jake W, James D and Tei-Jai D.

Clyst Vale Girls Inter-House Football Euro 2024

Congratulations to all girls which have competed this week at lunchtime in the Inter-House Euro 2024 football competition. Participation numbers were excellent when starting on Monday and have continued with an outstanding atmosphere between all competitors and supporting staff.

At the time of writing, Scotland of Green (yes, Scotland again!) will play France, also of Green in Friday's final. This followed some outstanding games during the quarter and semi finals on Thursday lunchtime, with the top two teams in each group progressing to the knock out stages.

Following Friday's scheduled final and Bronze Medal Final, a report will be provided for next weeks newsletter, so watch this space!

Please see the following page for the results of the tournament to date.

Congratulations to all players and a big thanks to all staff which supported the event.

Mr Pearce

Clyst Vale Inter-House Girls Euro 2024 Football Winners are France of Green!

Congratulations to the winners of the Girls Euro 2024 tournament of France, who pipped fellow Green House team Scotland in the final last Friday afternoon. Despite dry conditions greeting both teams and the bronze medal match competitors, the rain soon swooped in to make it a wet lunchtime, however it did not dampen the skill and competition of all involved.

The Bronze medal match up of Slovenia (Green) and Spain (Yellow) ended with a 1-0 narrow win for the former, which meant a 1,2,3 finish for Green House across the week.

Principal, Ms Jacobs, welcomed both finalists to the pitch before the anthems, with Scotland trying to make it a double following the success with the Boys competition a week earlier.

It was Scotland who led early on with a stunning Annie G strike from the edge of the box which rifled in in the top left corner of the goal. France rallied and dominated possession and gained a well-deserved equaliser through Sophia T.

The game ended level at 1-1, with the game progressing through the golden goal extra time and then to penalties. Scotland had form with this method as they knocked out rivals Spain in the semi final a day earlier. This one would go all the way, with France ending up 6-5 winners with the spot kicks going through several rounds of sudden death.

Congratulations to France for their victory and commiserations to Scotland who were solid throughout and very hard to beat. Thank you and well done to all students and staff who made both weeks a real highlight and a positive way to round off the year.

Scotland: Tilly W (c), Molly H, Annie G, Brooke B, Maisy-Beau K.

France: Cleo S (c), Alex S, Sophia T, Sophie W, Sophia L.
